The portion of the road beyond its junction with the Kunigal road is not of much importance : the rate for that portion, 8 miles, should be reduced to Rs.75, and the rate for the remaining 30 miles, should be raised to Rs. 120. The increase of Rs. 400 should be allotted from the balance. If any special repairs are absolutely needed this year, the Board will be prepared to consider that question on definite proposals being made.
